SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

TECH SKILLS

- Python
- Java
- C++
- SQL, MySQL
- Html
- C
- CSS

LANGUAGES

- English (Fluent)
- Tamil(Fluent)

PROFILE

A passionate Computer Science Engineering student with a strong foundation in programming, data structures, and software development. Skilled in multiple languages including Java, Python, and C++, with hands-on experience in web technologies, databases, and problem-solving. Eager to explore emerging fields like AI, cloud computing, and cybersecurity. Committed to continuous learning, collaboration, and building impactful tech solutions.

EDUCATION

Bachelor of Computer Science   2023-2027
Nadar saraswathi college of engineering and technology-Anna university

CGPA: 8.78 /10 (Current CGPA)

Higher education
SKA higher secondary school   2022-2023

PROJECTS

student management sysytem   JUNE 30-JULY 16 (2025)

The Student Management System is a Java console application designed to manage student records in memory. It allows users to add, view, and delete student information through a menu-driven interface. Each student record contains personal, academic, and contact details. The system demonstrates core object-oriented programming (OOP) concepts, input validation, and modular design.

Technologies Used:
- Java Swing / AWT:,JDBC (Java Database Connectivity),Java SE:

ACHIEVEMENTS & CERTIFICATIONS

Recognized for academic excellence and maintaining a GPA of 8.78 in my college.

Completed certification in HDCA/C in CSC institution

Completed many online certification courses and gained knowledge in programming through Infosys & coursera , Udemy,etc..
